Dear Parents, Carers, Staff, Students and Friends,

Some very weary Gr 5/6s and their teachers came through the door on Monday after a wonderful few days on camp. Our children are so fortunate to have such an opportunity and we thank them for the way they conducted themselves while they were away. As we head into Week 10 of this term, it is so important for us to look back on this term with great pride for all that has been achieved. Our students have worked incredibly hard and made some excellent gains with their learning. Likewise, our staff have worked tirelessly to ensure the smooth running of our school and that our children are learning to high levels. We have much to be grateful for.

Reports are being sent home today! Well done to all students for their hard work during the first semester. Thanks for a great week!

Have a wonderful weekend with the people you love,

Terrielynn

Canteen Roster

Lunch orders are available every Wednesday as long as we have a volunteer. If you are interested in helping out, please let the school office know or put your name on the roster at the office.

26/06/2019 NO CANTEEN

Pizza Lunch

Thanks to Katrina Turnbull, Tracey Holyoak and Siana Causer for all their hard work in organising our most delicious pizza lunch on Thursday and to the many parents who were able to help on the day in getting the pizzas to the children! We would also like to express our appreciation to Baker’s Delight for their support of our school. We can’t wait to see what sand pit toys we can purchase with the money raised! Thanks to all families for their support!

Link Up!

Thanks to those kind families who have already put food into our freezer during the week. Your generosity is greatly appreciated. We would really welcome meals to share with families who are experiencing the highs and lows of life. Maybe the holidays could be the perfect time for us to do some cooking to stock the fridge for Term 3.

Food needs to be clearly labelled and dated in disposable containers. You can place it in the freezer in the Multi-Purpose Room yourself or leave it at the office.

For more information or to let us know of families who need assistance please call the office.

Woolworths Earn and Learn

Woolworths Earn and Learn total so far: 13,440 stickers!!

Assembly

Our next assembly will be Friday 19th July 2019 in our Learning Street @ 2.40pm.

All welcome!

Pastoral Care
Hello, the end of term 2 is here and the last 10 weeks have passed so quickly, and when the children think it has too we know that it must have! I hope the information from Andrew Fuller was of interest and some help.
Just a reminder that although the school has closed I am still working, my office is in the Maryknoll centre and I can be contacted on 0400994032 should you need some support over the holidays.
Have a wonderful time with your children.
Kind regards
Lisa Gonnet
Schools Pastoral Care Worker.

Library News
Our Term 2 holidays begin next Friday. All our students are asked to return all the books that they have borrowed from our Library Resource Centre by next Wednesday, 26th June, 2019. Students wishing to take a book home for the holidays are asked to speak with Library Miss Stevens to make arrangements before Wednesday.
Libraries are great places to visit during our winter holidays. And….Libraries are free to enter!
A suggestion –
• Begin by visiting our local Library. They have a wonderful holiday program planned.
• Then branch out. A visit to the Mt. Gambier Library in the centre of the city will have you in awe of what is possible.
• And if you happen to be in Melbourne, pop into our State Library, gaze at the domed ceiling in the world famous reading room and explore all that the Library has to offer.
• And if you happen to be travelling a little further afield, our National Library in our nation’s capital, Canberra, holds many treasured items.
Whatever you and your family decide to do during the holidays, travel safely and keep reading!
Many thanks and Happy Reading!
Library Miss Stevens

Circle of Security
Parenting Education Program
Early Intervention for Parents & Children
Circle of Security parenting program is based on decades of research about how secure parent-child relationships can be supported and strengthened. The program aims to assist parents and carers to:
• Understand their child’s emotional world by learning to read emotional needs;
• Support the child’s ability to successfully manage emotions;
• Enhance the development of their child’s self-esteem.

Foster Care Information Sessions

Support a young person to be their best, become a foster carer.

Foster carers bring out the best in young people who are unable to live at home by providing a nurturing home environment so they can heal from past trauma and develop to their potential.

At Mackillop Family Services, we understand every home is different, and we can support you while you support a child to be their best.

Come along and discover what is involved in being a foster carer, the support that is available, and how you can make an immeasurable difference to children and young people who need a nurturing home.

Trinket is the story of an inventor, Dr. Doovalalaczy who sets out to build a robot who will have the ability to learn new things, with the help of his assistant, Gizmo, a green caterpillar.

Trinket the Robot comes to life but he soon wants more. He wants to know what it is to be human; he wants to become ‘real.’ You must help him to learn about the big, wide, world. Things quickly start to get complicated, and Dr. Doovalalaczy finds himself losing control of his creation. Trinket learns that to become human is to not only feel wonder and joy, but also to know anger and fear, and the sadness of saying goodbye to someone when you’re not ready to.
